Our graduates have all the skills that they need to create a start-up company or one-person business. Possible career areas:

- Commercial manager
- Senior consultant
- Business unit, company or branch manager
- Company founder or successor
- Project manager

Studying in Vienna

Studying in Vienna means getting to know a fascinating, dynamic city in the heart of Europe. Famous for its high quality of life, Vienna makes visitors feel right at home almost immediately. Whether visiting a traditional Viennese café, a busy pub, a hip new restaurant, or one of its numerous parks, you will find that Vienna offers countless ways to relax and enjoy the city. Vienna is a hub for culture and art with a multitude of sport, culinary, music and cultural events taking place throughout the year. Being at the heart of Europe, it is a great point of departure for short trips to the mountains, lakes and other neighboring vibrant cities.

»Graduates of this program are equipped with all the necessary skills to manage companies that want to exploit their growth potential internationally. Emphasis in this English-language Master's program is placed on the strategic management of organizational growth and restructuring processes. The development of problem-solving skills, leadership capabilities and the ability to adapt to changes in the business environment are also key focus areas.«

Highlights

- Program offered exclusively in English
- Taught in an international environment in the city of Vienna
- Trains generalists for leadership roles
- Uses the established MOC Harvard method (Microeconomics of Competitiveness)

Admissions Procedure

- 1. Register online at www.fh-wien.ac.at**, complete the application form and send it by mail to FHWien der WKW.
- 2. Complete the computer-based test** at FHWien der WKW
- 3. Interview** about personal skills, motivation, teamwork, career, time management etc. For those applying from outside of Austria the computer-based test and interview/presentation will take place either on the same day or, in certain cases, on subsequent days.

»What makes this program so special is its interdisciplinary orientation, which provides students with a comprehensive understanding of different processes in companies. The teaching content in projects and lectures held by well-known entrepreneurs and adjunct faculty promotes the networking of students with managers from the real world. This allows students to build networks with interesting contacts while studying.«

PATRICK BATKA, MA *National Franchise Controller, McDonald's, Master's graduate 2015*
